MEMORANDUM FOR: Deputy Director (Science & Technology)

1. With respect to the planned briefing for Bozo McKee on Tuesday, 10 November, General Carter asks that the arrangements be made so as to brief McKee on the Soviet space program in general. This will include their satellite effort as well as the ICBM and MRBM threat. He further asks that Duckett, Chamberlain, and Bruce Clarke arrange to make the presentations and he would appreciate it if you would arrange for the three to get together to work up a scenario.

2. The General plans that McKee arrive here about 10:30 for about two hours' worth of briefing followed by lunch.
